Welcome to 6 Benchlands Drive – Where Rustic Charm Meets Modern Elegance.

This beautifully updated 1978 bungalow offers the perfect blend of timeless character and luxurious modern upgrades, in one of Cochrane’s most secluded, and established communities. With just over 2,000 sq. ft of fully developed living space, 4 bedrooms, 3 bathrooms, and nearly every corner tastefully updated in 2024, this home is truly move-in ready and packed with value.

From the moment you enter, the vaulted wood-panelled ceilings and wood-burning fireplace create a cozy, rustic ambiance that honours the home’s original charm. Yet every detail has been modernized for today’s lifestyle. The fully renovated kitchen (2024) features all-new appliances, quartz countertops, elegant cabinetry, convenient centre Island, and seamless flow into the bright and open living and dining areas. New flooring throughout (2024), fresh paint, and updated lighting elevate the space with a clean, contemporary feel.

The main level offers three bedrooms, including a peaceful primary suite with a private 4-piece ensuite, and a convenient walk-in closet. Two additional bedrooms are ideal for children, guests, or a home office, and share a beautifully finished 4-piece bathroom.

Head downstairs to a large basement Rec Room, with tons of space for a home gym, TV room or work space with a large desk and feature wood panelled wall, ideal for working or relaxing. The 4th bedroom is spacious, tucked away for privacy, and is served by a modern 3-piece bathroom. Youâ€™ll also find a huge storage room and a well-equipped laundry area with a brand new washer and dryer (2024) and double utility sinks for added convenience.

Outside, enjoy stunning mountain views from your front patio, or unwind in the private backyard oasis, featuring a large deck, fire pit, gas BBQ hook-up, and no rear neighboursâ€™ just peaceful Caroline Godfrey Park Ravine. Nature lovers will appreciate the endless walking trails and Bow River views just minutes from your door.

Major upgrades include:

New roof, downspouts, eavestroughs, and asphalt driveway (2024)

New front door (2022), windows (2014), hot water tank (2021), and a meticulously well-maintained furnace.

Ideally located in Cochraneâ€™s desirable east end, this home is tucked away on a quiet street with only one way in and out, providing privacy while still being close to it all.

Youâ€™re just minutes from Main Street, restaurants, grocery stores, schools, parks, sports fields, and pathway systems connecting the entire community.
